## OVERVIEW OF THE FIRM

The Firm offers high quality legal and advisory services to corporations, companies, institutions, individuals and Government/ Quasi Government organizations globally.

The Firm, over the years, has evolved and kept pace with the emerging needs of the times. BRB Legal now offers legal and advisory services to clients in many practice areas including, *inter alia*, banking and finance, dispute resolution, joint ventures, litigation, mergers and acquisitions, taxation and technology law.

BRB Legal offers comprehensive legal and advisory services through its offices in New Delhi and NCR.

## WORK CULTURE AND APPROACH

At BRB Legal we attempt to thoroughly understand and analyse the client's requirements before working on any matter/ project. Thereafter, the Firm finds practical legal and business oriented solutions. Our team and associates provide services with a creative and innovative approach so as to provide the best possible solutions keeping in mind the client's objectives. Our role for any client is not just to provide solutions to problems but also advise the client on avoiding potential pitfalls.

The Firm believes that sufficient time must be devoted to each client's issues to maintain the quality of work. Therefore, the Firm ensures that each individual team member's workload at any given point is commensurate with his/her availability. On occasion, the Firm even refuses projects/ matters if it feels that it would not be able to do justice to the assignment.

We take pride in the fact that each of our team members involved with any particular project/ matter is personally available to each client of the Firm. The Firm's working culture is such that we believe in being an extension of the client's business and providing the clients' with all necessary assistance for achieving their objectives.

The team, its associates and consultants are linked through constant interaction and electronic communication so as to provide cost effective, timely and high quality service to clients. The environment at the Firm is professional yet friendly and encourages teamwork. The Firm believes that training and development of its resource persons is essential and therefore encourages them to develop their skills through books, conferences, libraries, specialized training programmes and seminars.

## THE STRUCTURE

The Firm is structured into different teams, with each group specializing in a specific practice domain. However, when a situation calls for a special effort, each member of the Firm is qualified and competent enough to counsel a client on several aspects of law.

The Firm also engages professional consultants to bring its members up to speed with the demands of today's dynamic business environment.
